

MEMORENDUM OF UNDERSTANDING (MOU) BETWEEN
ASANSOL GIRLS' COLLEGE, WEST BENGAL, INDIA
AND
ASANSOL INSTITUTE OF ENGINEERING AND MANAGEMENT-
POLYTECHNIC, WEST BENGAL, INDIA

AUG'2022

Asansol

This Memorandum of Understanding (MOU) is entered into agreement between:

ASANSOL GIRLS' COLLEGE

here in after referred to as AGC whose address is:

Dr. Sandip Kumar Ghatak, Vice-Principal,

Asansol, Paschim Bardhaman, West Bengal, PIN 713304

Website: <https://agc.ac.in>

Email Id : mail.agcorgin@gmail.com

Telephone: +91-0341-2257107

Coordinator AGC

Dr. Biru Rajak, Asst Professor (IQAC Coordinator)

Email: birurajak@gmail.com

Mob No.: +91 98316 33316

and

Asansol Institute of Engineering and Management- Polytechnic, West Bengal, India

here in after referred to as AIEM-P whose address is:

Dr.Lisha Misra, Principal

Address: Bagbandi Road, P.O. Kalipahari, Asansol-713339

Email: lisha.misra@gmail.com

Website: <https://www.aiemp.in>

Mob No.: 9434759686 / 7980235168

Coordinator AIEM-P

Mr.Tanmoy Singha, Dean Academic

Email Id : aiemp-deanacademics@gmail.com

Mob No.: 7980235168

1. Background

Located near Kalipahari More, **Asansol Institute of Engineering and Management-Polytechnic** has been founded by education lovers to fill a gap in private diploma level engineering colleges in and around the West Bengal-Jharkhand belt, with an aim to make best quality education accessible to students by means of a student-oriented institute, which has been demonstrated from our very first intake in June 2015.

Our highly experienced faculties, aided by state of the art facilities in laboratories and classrooms are dedicated towards helping pupils achieve their true potential, and in just a few years AIEM-P has already gained a reputation for being academically sound. Students are motivated to strengthen their strengths and work on their weaknesses together with the academic staff. With a great classroom experience, individual attention, along with the use of digital tools and notes, our students do not feel the need for private tuitions.

It is our firm belief that along with being academically strong, students need to be complete individuals and therefore, there is a healthy focus on sports and extra-curricular activities in the institute. Our cultural and social clubs have organised events such as Biswakarma Puja, Saraswati Puja, Independence Day, Republic Day, Sadbhavna Diwas, Foundation Day etc. with aplomb and our sports' grounds host basketball, volleyball and badminton matches. Our learners have already exhibited necessary intra and inter-personal qualities inside and outside their classrooms.

As one of the fastest growing economies in the world, India is going through an industrial expansion that requires skilled technicians in large numbers. Although a significant number of people are graduating as diploma engineers every year, there remains a lack in efficient, truly knowledgeable and skilled diploma engineers in the country, and at AIEM-P it is our modest attempt to fill this gap a little. Our devotion to our purpose grows every day and with the discipline and commitment that our students exhibit, we are confident that our Institute will produce citizens to make our nation proud.

Asansol Girls' College is 'A' accredited by NAAC and prestigious college in the industrial belt of Asansol, Paschim Bardhaman district, West Bengal, India. It offers undergraduate courses in arts, commerce and sciences. It came into existence in 1950 mainly as a result of

untiring effort of Dr. Lalit Mohan Sen, the then CSO, mines board of health and his worthy consort Smt. Kamala Sen. Initially, the College was affiliated to the University of Calcutta. After Burdwan University started it became affiliated with that university and now, the college has been affiliated to Kazi Nazrul University. During the difficult years of its adolescence, the college was fortunate to have Dr. Anjali Roy as its principal. This is a premier college for highest academic standards, different educational programs, grand faculty, and various co-curricular activities and modern infrastructures. The College provides hostel facility to the students from distant places. There are two hostels - Unit I (Anjali) and Unit - II (Nivedita). Today, it has become high spirited institution for learning.

Asansol Girls' College and Asansol Institute of Engineering and Management- Polytechnic has been enraged in beneficial Operation and support, which is necessary benefits of the resources under the custody of either partly, as found necessary. Technology transfer is the key aspect of the college and university interaction. Though, this linkage may flourish deferent opportunities to the student and instructors in the their filed and other units.

2. Purpose and scope of responsibilities under this MOU

This MOU is established to promote mutual cooperation between Asansol Girls' College (AGC) and Asansol Institute of Engineering and Management- Polytechnic (AIEM-P) in the area of Technical Experiment, Technical Education sharing, training, research and community engagement where by both parties benefited. Corporation between the parties shall be carried out subject to the approval of both parties and on the basis of reciprocity.

With this partnerships agreement the two parties have agreed to collaborate in areas that are of mutual benefit, including but not limited to:

- ✓ Community engagement and outreach activities
- ✓ Research, Education and capacity building

3. Roles & Responsibilities of the two parties

3.1. Responsibilities of Asansol Institute of Engineering and Management- Polytechnic

- AIEM-P will provide technical support to AGC in undertaking researches, webinar presentation, studies training related to its field of operation and in accordance with the AIEM-P outreach and community service activities.
- The instructors, experts and researchers exchange can be executed
- AIEM-P will facilitate for participation of Asansol Girls' College staff in the various short term trainings, Seminars and workshops organized by both online and offline.
- Create conducive environment for instructors, researchers, students to work different researches, staff exchange and internship program related to the fields in their departments.

3.2. Responsibilities of Asansol Girls' College
