1. Background

Asansol Girls' College is 'B++' accredited by NAAC in 3rd Cycle and prestigious college in the industrial belt of Asansol, Paschim Bardhaman district, West Bengal, India. It offers undergraduate courses in arts, commerce and sciences. It came into existence in 1950 mainly as a result of untiring effort of Dr. Lalit Mohan Sen, the then CSO, mines board of health and his worthy consort Smt. Kamala Sen. Initially, the College was affiliated to the University of Calcutta. After Burdwan University started it became affiliated with that university and now, the college has been affiliated to Kazi Nazrul University. During the difficult years of its adolescence, the college was fortunate to have Dr. Anjali Roy as its principal. This is a premier college for highest academic standards, different educational programs, grand faculty, and various co-curricular activities and modern infrastructures. The College provides hostel facility to the students from distant places. There are two hostels - Unit I (Anjali) and Unit - II (Nivedita). Today, it has become high spirited institution for learning

Trivenidevi Bhalotia College commenced its journey in 1957 as a UGC registered College [under 2(f) and (12b)], affiliated under the University of Calcutta. It became affiliated to the University of Burdwan in 1960. Presently the College has come under the aegis of Kazi Nazrul University on and from 24th June, 2015. The College is a co-educational institution which is run in two sections – Morning section and Day section.

Over the years the college has consolidated its position as a premier institution in the state of West Bengal imparting higher education in diverse areas of Humanities, Commerce and Basic Sciences. Emerging subjects in the field of Applied Sciences such as Computer Science, Electronic Science, Biochemistry, Psychology, Food and Nutrition are given due emphasis. Several Post graduation courses have been introduced that explore the horizon of knowledge among students. Such specialization will equip the students to pursue research, better job opportunities as well as entrepreneurships. The college has also finalized blueprints of some more career-related courses which are to be initiated shortly.

The academic vision of the college is to provide sustainable education that will inspire the students to aspire to greater heights of achievement in every professional field. The college as

part of Kazi Nazrul University adheres to the Choice Based Credit System (CBCS) which encourages young learners to broaden their spectrum and add a multiplicity to their knowledge bank. Students are encouraged to participate in Social Outreach programmes such as NSS which widens their ecological awareness and the need for social-work; Jiyonkathi is also one such extension of social outreach that aids the teaching-learning process among primary school children who are economically backward.
